Please explain why you are considering Waldorf Education for your child at this time.

What would you like to see your child receive from his/her school experience at the Waldorf School of Cape Cod?

How did you hear about our school? Do you know any of the families currently or previously enrolled at our school? If yes, who?

Are you settled in the greater Cape Cod area? If not, how long do you expect to be here?

What language is ordinarily spoken in the home?

Describe your child in terms of his or her interests, personality, likes, dislikes, favorite activities, and toys.

Please describe the birth of your child and developmental milestones, such as crawling, standing, walking, talking, etc.

How does your child handle frustration? Please explain.

Understanding that any child entering our early childhood program needs to already be toilet trained, is there any type of special assistance that your child requires in the bathroom?

What role does modern day entertainment (TV, Nintendo, movies, videos, computer games, etc.) play in your child's life?

Does your child have any health concerns the school should be aware of? Include any allergies—environmental, dietary (e.g., dairy, nut), animal, plant, bee stings, etc., therapies (physical or psychological), medications, etc.

Our early childhood classes go outside in all kinds of weather. Is there anything that would prohibit your child from full participation in our program?

Imagine that it is a cold, rainy Saturday in mid-November. Give a description of how your child might spend the day.

Are you interested in applying for elementary school for your child after his/her early childhood experience?

The Waldorf School of Cape Cod does not discriminate on the basis of race, color, religion, sex, sexual orientation, cultural background, political beliefs, or marital status.
